Blessed by an Angel

There are moments in life when the brevity of time must speak, and on October 17, 2020, God spoke loud and clearly. He blessed us with a baby angel named Atara Jenae Campbell. While her time here was brief, in that small space of time, she reminded us of the promises that comes with life, and with eternity.

Angels never stay long, they visit with an assignment, a message, and then they depart. After their departure, the message remains often as one of hope, peace, and love. Atara was an angel that visited us, and she came with an assignment on her life.

The name Atara means - Crowned and Blessed. Her middle name Jenae means - God has answered. Campbell is a name representative of a beautiful field.

Atara-Crowned and Blessed

Even though we only had her with us nine days, we were better than blessed by her presence, beauty and fighting spirit. Our hearts are comforted in knowing, that all of God's children will receive a crown, and she has one too.

Jenae-God Has Answered

We prayed for God to bless us with her, and God did. We prayed for God to cover her, and God did. When trouble threatened, we prayed for God to have His way, and God did.

God answered our prayers by bestowing the ultimate healing, and that is a complete life with no pain and no suffering, but eternal peace.

Campbell-Beautiful Field

Campbell in the French origin means *Beautiful Field*. While her remains may reside in a nearby beautiful field that we will visit from time to time, her soul will eternally be at home with God.
