With Our Heartfelt Thanks

...that we through the patience and comfort of the scriptures might have hope, (Romans 15) God has given us our church family, neighbors and dear friends, to help us as we go forward. God's Word has been manifested through your many expressions of sympathy and support; we praise God from whom all blessings flow. Special Thanks to Paige-RN along with the entire Gordon Hospice House Staff for the excellent care and compassion you showed to my dad. Thank you for honoring the memory of our beloved "Reg" and for remembering us during his illness and passing. In our risen Lord, we have peace that passes all understanding. The Family
